

## Valla Community Priorities List 2018

The Valla Beach Community Association [VBCA] are seeking community involvement in identifying the community's priorities for the Valla region. Once we have identified the priorities we can commence consultation with relevant bodies. To assist in this process, it would be appreciated if you could take a minute to complete the following Survey. Please remember it is your opinion that we seek and if there are projects that you believe require consideration please identify them.

Suggestions can be from, but are not limited to, the following suggested areas: Sports Facilities; Walks & Paths; Parkes & Reserves; Public Art; Community Events; and Roads & Car Parks. If you have something else that piques your interest please let us know.

I would like us to work towards:

**Over the last few years – With the Help of Nambucca Shire Council [NSC] the VBCA have completed, or participated in, the following projects requested by the community.**

Anderson Park – Playground with Shade, Exercise Equipment, Table and seating with shade Drainage completed waiting for top dressing – Cricket Practise Nets
Walkways –Preschool to Ocean View Drive, Valla Beach Rd, Thomson Rd to Middle Valla lookout North Valla Beach – from the footbridge to the beach path to allow mobile scooters.
Car Parks – Gregory St – with a lookout and Thomson St Carpark
Community Centre – Up grade Kitchen, Aircon and Blinds, Picture rails for art shows
Public Art – Public seating, Art show, Festival of Small Halls.

When completed please place in box at the Market Office on Saturday 7 April or place in box at the Headland Café by Friday April 20<sup>th</sup>.
