The VBCA is a group of people working together to help grow your community.

We work with Nambucca Valley Council with guidance from our residence. Some of the things we have achieved recently are the building of the Netball/Basketball courts, the upgrading of the Skate Park, and the purchase of Soccer Nets (soon to be installed) at Anderson Park.

We have many more things in the pipeline and are always looking for input to achieve the best outcomes for your community.

We are asking for people to nominate to the committee. It is not an onerous task . On average you are committed to a few hours a month sometimes less and what you get in return is an amazing feeling of achievement, *(especially when you see what you have accomplished is being enjoyed by so many in the community.)*

The AGM has been postponed until after the Local Council elections . So, we are calling for nomination to all positions President, Secretary, Treasurer, Vice president and 3-5 Executive committee members. Some of the existing committee are re-nominating and are happy to guide and support the new members elected.

Nominations to stand for the committee are required to be vetted by the Nambucca Valley Council before the VBCA AGM.

Nominations can not be accepted from the floor on the day of the AGM. If there are more than one nominations for a position a vote for the position will be held at the AGM.
