Georgia Cortes Rayner

Late Blooming Singer Songwriter

Georgia's distinctive smooth vocals, and heartfelt lyrics combine with her acoustic guitar to create a rhythmic mix of folk, blues, country, rock and at times hip hop, with a twist. Georgia came to songwriting and performing later in life, releasing her first Album at age 55. The Past Is A Passenger, was met with rave local and international reviews, and 5 years later is still capturing audiences. Reaching a milestone age of 60 this year, Georgia continues to write and perform, and her second album in is in the preproduction phase. Stay tuned folks.
